

REMARKS

The above amendments have been made to the specification to make reference to the earlier filed application as shown in Attachment A. Attachments B and C have been made to make this Divisional Application conform to previous amendments made in the parent application and to remove inaccurate, extraneous, and outdated information. The amendments to the claims have been made to further prosecute the subject matter of claim 18 restricted from parent application 09/375,471 (corresponding to claim 6 herein) and to add further method claims.

Respectfully submitted,

NATH & ASSOCIATES PLLC
